Circus Summer Camp

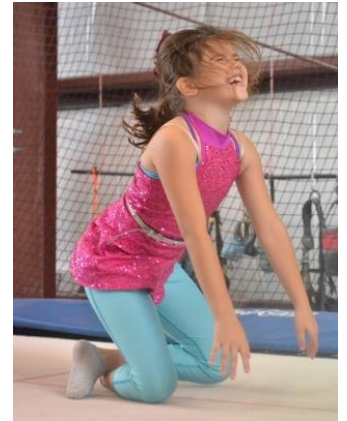

Ages 6-14

\$695/ 1 week session

TSNY camp gives children of all levels the opportunity to fly high, challenge themselves, and build confidence.

Children spend the first part of the week sampling the activities we offer including flying trapeze, silks, static trapeze, juggling, and trampoline. Campers should expect to be moving, jumping, stretching, and creating new shapes as individuals and groups throughout the week. They will build a routine for their Friday afternoon performance, when friends and family are invited to see the skills they've developed in just one week!

Just like any great camp experience, campers will get to build teamwork and leadership skills, foster their independence, and have lots of fun!
